

XVI. Bogenhausen Shoulder Symposium
1st International Shoulder Arthroplasty Conference (ISAC)
 11 - 13 December 2025, Holiday Inn Munich

Main Topics

- Anatomic Shoulder Arthroplasty
- Computer-assisted Surgery and Digitalization
- Periprosthetic Joint Infections
- Open Questions in Reverse Shoulder Arthroplasty

Highlights International Faculty

- Tjarco Alta (Netherlands)
- Georg Athwal (Canada)
- Alessandro Castagna (Italy)
- Mehmet Demirhan (Turkey)
- Anders Ekelund (Sweden)
- Joseph Iannotti (United States)
- Laurent Lafosse (France)
- Bo Sanderhoff Olsen (Denmark)
- Reinhold Ortmaier (Austria)
- Ian Trail (United Kingdom)
- Andrej Trampuz (Australia, Germany)

Thursday, 11 December 2025

13:00 – 14:30	SESSION 1 Comeback of Anatomic Shoulder Arthroplasty - <i>Because we understand and plan it better?</i>
	Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos
14:30 – 15:00	Coffee Break and Industry Exhibition
15:00 – 17:00	SESSION 2 Digital Technology in Anatomic Shoulder Arthroplasty - <i>Planning, Navigation, Mixed and Virtual Reality Intraoperative Tools</i>
17:00 – 17:15	Short Refreshment Break
17:30 - 18:30	Industry Workshops Computer-assisted Planning - Mixed- and Virtual Reality - Navigation I
18:30 - 20:00	Welcome Reception at the Industry Exhibition

Friday, 12 December 2025

08:30 - 10:30	SESSION 3 Anatomic Shoulder Arthroplasty - <i>Comeback, because we perform it better ?</i> Keyproblem: The Glenoid. Solutions?
	Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos
10:30 – 11:00	Coffee Break and Industry Exhibition

11:00 - 12:30		SESSION 4 The Anatomical Humeral Implant + Keynote Lecture Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos - Panel Discussions - Keynote Lecture
12:45 - 13:45		Industry Lunchworkshops
13:45 – 14:15		Break and Industry Exhibition
14:15 – 15:45		SESSION 5 Reverse Shoulder Arthroplasty – Open Questions! How can we get even better <i>Indications, Biomechanics, Prosthesis Design Concepts</i> Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos - Panel Discussions
15:45 – 16:15		Coffee Break and Industry Exhibition
16:15 – 18:15		SESSION 6 Reverse Shoulder Arthroplasty (RSA) as a Primary Implant Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos - Panel Discussions
19:30 – 23:30		Congress Dinner
Saturday, 13 December 2025		
08:00 – 09:30		SESSION 7 Reverse Shoulder Arthroplasty as Revision Implantat Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos - Panel Discussions
09:30 - 10:00		Coffee Break and Industry Exhibition
10:00 - 11:30		SESSION 8 Reverse Shoulder Arthroplasty <i>Complications: Avoidance and Management</i> Including <ul style="list-style-type: none"> - Oral Presentations - Case Discussions and Mini Battles - Re-Live Surgical Videos - Panel Discussions
11:30 – 12:00		Coffee Break and Industry Exhibition

12:00 – 13:30		SESSION 9 Periprosthetic Joint Infections (PJI) in the Shoulder Including <ul style="list-style-type: none">- Oral Presentations- Case Discussions and Mini Battles- Re-Live Surgical Videos- Panel Discussions
13:30 - 13:45		Summary and Fare well
